WORKSHOP

Technological behaviours of Hominins over Eurasia?

Paris, Musée de l'Homme, 19-20th November 2025

19th November 2025

The View from the West

10.00am – WELCOME – Marie-Hélène MONCEL.

Lateurope project on the earliest evidence of occupations in Western Europe. Aims and first results

10.15am – Nick ASHTON, Rob DAVIS.

Developments in lithic technology from MIS 21 to MIS 12 in the UK.

10.30am – Deborah BARSKY, Alèxia SERRANO RAMOS, Amèlia BARGALLÓ, Sophie GRÉGOIRE, Stefania TITTON, Jose SOLANO, Juan Manuel JIMÉNEZ-ARENAS.

The stone toolkits from Barranco León and Fuente Nueva 3 (Orce, Andalusia, Spain): Behavior and material culture of the first hominins in western Europe.

10.45am – Marta ARZARELLO, Julie ARNAUD, Carlo PERETTO.

Early Hominin Occupation and Technological Adaptations in the Italian Peninsula Across the First and Second Out of Africa Dispersals

11.00am – Marina MOSQUERA, Adrián ARROYO, Andión ARTEAGA, Lena, ASRYAN, Amelia BARGALLÓ, Eudald CARBONELL, Juan Luis FERNÁNDEZ-MARCHENA, Paula GARCÍA-MEDRANO, Diego LOMBAO, Arturo LOMBERA-HERMIDA, Marcos TERRADILLOS, X.P. RODRÍGUEZ, Andreu OLLÉ.

What can Atapuerca inform us about the Pleistocene technological diachrony in Western Europe?

----- **Coffee Break** -----

11.30am – Andreu OLLÉ, Diego LOMBAO, Lena ASRYAN, Paula GARCÍA-MEDRANO, Adrián ARROYO, Juan Luis FERNÁNDEZ-MARCHENA, Gökem C. YEŞİLOVA, Palmira SALADIÉ, Josep VALLVERDÚ.

Barranc de la Boella (Tarragona, Spain): Progress in the knowledge of the appearance of the Acheulean in Western Europe.

11.45am – Paula GARCIA-MEDRANO, Gadi HERZLINGER, Pierre ANTOINE, Jackie DESPRIEE, Palmira SALADIE, Josep VALLVERDU, Andreu OLLE, Marie-Hélène MONCE.

The Acheulean Rise in Europe: Decoding Clues from La Boella (Spain), Notarchirico (Italy), La Noira and Moulin Quignon (France).

12.00pm – Javier BAENA Preysler, Martín GARCIA NATALE, Concepción TORRES NAVAS.

The Acheulean from central Iberia: a revisited study in the context of Iberia.

12.15pm – Nena GALANIDOU, Gadi HERZLINGER, Elli KARKAZI, John MACNABB.

Placing Rodafnidia (Greece) in the global context of Acheulean industrial variability.

----- **Lunch Break** -----

The view from the East

2:00pm – Ignacio de la TORRE, Dongdong MA.

The East viewed from the East. Technological strategies in the East Asian Lower Palaeolithic from the perspective of the East African Early Stone Age”

2:15pm – Shuwen PEI, Dongdong MA, Zhi YE, Jingyue XU, Shuaijie GENG.

Middle Pleistocene human occupation in the Nihewan Basin, China: New investigations and perspectives.

2:30pm – Hao LI, Yuqing WANG.

Advances and Challenges in the Study of Handaxe Technology in China.

2:45pm – Wei WANG, Chun TIAN, Christopher J. BAE, Wei LIAO, Yaobin FAN, Yanyan YAO, Hua LIANG, Jiemei ZHONG, Ziyang MENG, Qiongyao FU, Shengmin HUANG, Guoshan LI, Jinyan LI, Lishu LUO, Hua TU, Richard POTTS.

Fluvial terrace development and Acheulean evolution in Bose Basin, southern China.

3:00pm – Chun TIAN, Christopher J. BAE, Wei WANG.

Victoria West-like Core Technology and the Associated Large Flake Assemblage from Fengshudao, an Early–Middle Pleistocene Site in Bose Basin, South China.

----- **Coffee Break** -----

3:30pm – Christopher J. BAE.

The Movius Line sensu lato model: Still valid today?

3:45pm – Shanti PAPPU, Kumar AKHILESH, Prachi JOSHI, Mohammad SAHNOUNI, Yanni GUNNELL.

Persistent Places, Differing Trajectories: Exploring Lower Palaeolithic Technological Diversity in South India

4:00pm – Shejiang WANG, Huayu LU, Wenting XIA, Gonen SHARON.

A new perspective of the East Asian Paleolithic

4:15pm – Thomas INGICCO, Justin GUIBERT

Raw material procurement and knapping strategies for the stone tools from the 709 ka butchery site of Kalinga (Philippines), with an insight on the Cagayan Valley lithic assemblage.

4:30pm – Gadi HERZLINGER.

Methodological Requirements for Modelling Acheulean Cultural Phylogeny: The Case Study of the Levant

4:45pm – Closing time

20th November 2025

09:00 – 10.30am

Discussion – PART 1: Comparison of the data West/East

----- **Coffee Break** -----

11.00 – 12:00pm

Discussion – PART 2: Comparison of the data West/East
Special issue or book for publication

----- **Lunch Break** -----
----- **&** -----
Visit the exhibition at Musée de l'Homme

1:30 – 2:30pm

Discussion – PART 3: Comparison of the data West/East

----- **Coffee Break** -----

3.00 – 3.15pm

Marie-Hélène Moncel: End-of-Day Synthesis

Special Closing Event
BUFFET - DINNER (07:00pm)

Institut de Paléontologie Humaine
1 rue René Panhard, 75013 Paris
