

**Summer School:
An Island Archaeobotany
Pantelleria island**

Arrival on Saturday 22nd

Day 1 – Sunday 23rd

- 9.00-9.45: Introduction to the Summer School (Claudia Speciale, IPHES-CERCA-Spain; Maurizio Cattani, University Alma Mater Bologna-Italy; Sonia Anelli, Parco Nazionale Isola di Pantelleria)
- 9.45-10.15: Introduction of the students
- 10.15-10.45: Prehistory of Pantelleria (Alessandra Magrì, CNR-Rome-Italy, Maurizio Cattani)
- 10.45-11.15: Break
- 11.15-12.30: History of Pantelleria (Carrie Murray, Brock University-Canada; Frerich Schön, University of Tübingen-Germany)
- 12.30-16.00: Lunch and free time
- 16.00-19.00: Visit in the prehistoric site of Mursia and Sesi (Bronze Age)

Day 2 – Monday 24th

- 9.00-10.30: Anthracology (Llorenç Picornell-Gelabert, University of Balearic Islands-Spain; Claudia Speciale)
- 10.30-10.45: Break
- 10.45-12.00: Carpology (Maria Letizia Carra, University of Alma Mater Bologna-Italy; ArcheoLabio)
- 12.00-12.15: Break
- 12.15-12.45: Experimental archaeology (Florencia Debandi, University of Alma Mater Bologna-Italy)
- 12.45-16.00: Lunch and free time
- 16.00-19.00: Sampling and soil flotation in Mursia

Day 3 – Tuesday 25th

- 9.00-10.30: Soil micromorphology (Alessandro Peinetti, INRAP-France)
- 10.30-10.45: Break
- 10.45-12.00: Sediment analysis for biomarkers (Enrique Fernandez-Palacios, University of La Laguna-Spain)
- 12.00-12.15 Break
- 12.15-13.15: SedaDNA (Sandra Garcés Pastor, University of Barcelona-Spain)
- 13.15-16.00: Lunch and free time
- 16.00-19.00: Visit to Lago di Venere and Acropolis

Day 4 – Wednesday 26th

- 9.00-10.30: Palynology (Gabriel Servera Vives, University of Balearic Islands-Spain)
- 10.30-10.45: Break
- 10.45-12.00: Phytoliths and ethnobotany on islands (Céline Kerfant, Universitat P. Fabra, Barcelona-Spain)
- 12.00-12.15 Break
- 12.15-13.15: Zooarchaeology (Fabio Fiori, University of Alma Mater Bologna-Italy; ArcheoLabio)
- 13.15-16.00: Lunch and free time
- 16.00-19.00: Food and diet in Bronze Age settlements of Mursia: experimental archaeology with vegetable products (Florenca Debandi, University of Alma Mater Bologna-Italy)

Day 5 – Thursday 27th

- 9.00-9.30: Anthracology in tropical Islands (Ethel Allué, IPHES-CERCA, Spain)
- 9:30-11.30: Starch grains (Nit Cano Cano, IPHES-CERCA-Spain)
- 11.30-11.45: Break
- 11.45-13.00: Pantescan agroforestry (Tommaso La Mantia, Antonio Motisi, University of Palermo-Italy)
- 13.00-16.00: Lunch and free time
- 16.00-19.00: Visit to Azienda Agricola
- 19.00-20.00: Panteschità (Nuccia Farina)

Day 6 – Friday 28th

- 9.00-10.30: Island paleoecology (Sandra Nogué, Universitat Autònoma de Barcelona/CREAF-Spain)
- 10.30-10.45: Break
- 10.45-12.00: Stable isotopes analysis and dendroecology (Jordi Voltas, Monica Aguilera, Universitat de Lleida)
- 12.00-12.15: Break
- 12.15-13.15: SILVA – A diachronic reconstruction of plants and its uses on Pantelleria (Claudia Speciale)
- 13.15-16.00: Lunch and free time
- 16.00-19.00: Pine coring and visit Montagna Grande

Day 7 – Saturday 29th

- 9.00-10.30: Island Archaeology (Helen Dawson, University of Tübingen-Germany)
- 10.30-10.45: Break
- 10.45-16.00: Working groups on projects
- 19.00: Final Dinner/Party!

Day 8th – Sunday 30th

-10.00-12.00: Presentation of the projects and closure
